

Information for Churches

Dale is often asked to speak in a wide variety of church settings. There are a number of specific questions that are particularly relevant to churches in connection with booking Dale to speak. (See Tips for Hosting Guest Speakers)

Possible Topics

Often churches ask Dale to come and talk about the issues surrounding the death of his son Jason, which of course focuses on the issue of forgiveness but there are also other topics which he has spoken about as well. Below is a brief list of some of the areas that Dale can speak about and minister to.

Transformation/Revival- What is this all about, what does it look like, will it happen, and what is our responsibility are just some of the areas they are dealt with. This is usually done in a series of talks such as a week end conference.

New Wineskins Church- While much of western world Christianity remains unaware the truth is the God is bringing the church into a time of transformation that is so significant that some are calling it the second reformation. This series deals with what is an Old Wineskin church and what is a New Wineskin church. Why are things changing and how? What do we need to do to be truly obedient to the Lord's call in these days? This is usually taught in a series of talks as well.

Intimacy with Jesus- This is the place out of which all that we are and all that we do must flow. What does it mean to be intimate with the Lord? How do we do this? What does it change? How critical is spending time with Him? This is also usually taught in a series of talks

Radical Faith- Real Love- This is about living life to the maximum to see the transformation of lives all around you. How do we spell the word faith? What does it really mean to love others especially our enemies? God is not interested in nice people. This is also taught in a series of talks for a

mileage for using his own vehicle.

Air Travel usually means that Dale will fly out of Lethbridge Alberta to Calgary and then onto the final destination. This also means because Air Canada is the only carrier flying out of Lethbridge that it is usually more efficient to fly with them to the final destination. If you are booking the flight for Dale please note that he prefers aisle seats when possible.

Contrary to popular belief traveling is truly not a glamorous event and can be very wearing on those who travel constantly with time zone changes, airport waits, meals at odd hours to mention a few of the challenges.

Brief Biography for Michael Rose

Michael is a Pastor and a founding member of The Rock. He lives and preaches with fire and passion, and is intensely in love with Jesus. He lives to love the unlovable, the broken hearted, the lost and rejected. His heart is to see people set free to run 'head long' into their destiny in Jesus. His heart is to see the Church rise up in her destiny - a Church of integrity, passion, purpose and power to see the Kingdom of God established throughout the Earth.

"Jesus has become my everything". At age 21, I had a life changing encounter with Jesus. He broke into my life and began shaking the walls I had built to escape my shame, guilt, anger, sense of failure, and rejection. God smashed the self-forged cage I existed in. He has been teaching me since how to walk in the 'fullness' of Jesus as a man of God.

Michael's hobbies include Kites, basketball pools and cats. Michael is married to Andrea and has two sons - Joshua and Jacob

I have known Mike Rose personally and as a ministry colleague for about seven years. We spent a season serving together in youth ministry in the town of Taber and even though I now live in Medicine Hat, Alberta, I still maintain a good friendship with he and his wife Andrea. Based upon my experience with the Roses I have no hesitation in wholeheartedly recommending Mike as a minister of the gospel. He walks in true humility and sincerity of heart with the utmost in godly character and a genuine burning passion to see the advancement of the Kingdom of God.

"Mike's has a radical desire and vision to serve the Lord Jesus. He has a passion for the Kingdom and he will stir you to dare to do incredible things for God. Mike is a gentle guy with a tremendous heart for the lost and broken. His leadership and work in the Rock Ministries in Taber A.B. is a labor of faith, love and sacrifice for Jesus. You will be greatly blessed by this man, his ministry and message."

Pastor Doug Shimoda City Light Church Lethbridge, A.B. Can.

Mike Rose is one of the people who has walked me through the bumps and grinds of ministry, even when we first met. He is a great friend and a great man who hears from God and delivers the Word so graciously. I have seen him minister to a total stranger who I know well. Mike spoke into her life so gently and yet so directly. We participated in 2 youth weekends a couple of years ago called "Giant Killers". God used Mike and his team to impact lives there -- and it continues. You need only hear how God has led the Rock team to reach into their community through practical service, the lives God has touched through them, and the faith in which they stand for God's provision -- and He provides. I have seen many people in the course of my 30 years of walking with the Lord, and my 10 years of ministry. I can sincerely say that when you get to know Mike and his wife Andrea, you get so much of a sense wonder of who God is and what He is doing, and not what they are doing. They truly glorify God in their lives and ministry and genuinely love Him.
